

I am extremely proud of our EMR team and their many accomplishments. Barbara and Patsy truly are the essence of what teamwork is all about. I call them the “Dynamic Duo”. Together they make every effort to ensure that the needs of our local employers are met. In turn, those employers have come to depend on them for a variety of workforce matters. Not only do Barbara and Patsy work together as an EMR team to assist employers and other organizations, they also work together with the rest of the Dublin Career Center staff. We have an awesome and effective working family at the Dublin Career Center. As the old saying goes, “No one can whistle a symphony. It takes a whole orchestra to play it.” Barbara and Patsy indisputably contribute so much to the symphony.
